### [ about us ]

Located in a 1900's family  
feedstore, our [farmacy]  
team will honor the  
buildings charm through  
our experimental cuisine,  
hand selected wine list from  
our in house sommelier,  
curated craft cocktails and  
our delicately chosen draft  
list to tantalize the  
taste buds.

We intend to be the  
community watering hole  
for wine, beer or cocktail  
drinkers all under the same  
roof. No longer will your  
group have to negotiate  
where to go to meet  
everyone's needs, we have  
done that for you!

Our shabby chic home  
will provide a bar to belly  
up to for a drink, seating  
for casual dining as well  
as a chef selection  
counter right at our  
kitchen.

Regardless if you prefer  
the interaction with the  
chefs as they select their  
favorites for you or if you  
want to order ala carte  
from the menu, we think  
you will find our  
dedication to our  
farmers and produce  
will be evident.
