[about us]

Located in a 1900's family
feedstore, our [farmacy]
team will honor the
buildings charm through
our experimental cuisine,
hand selected wine list from
our in house sommelier,
curated craft cocktails and
our delicately chosen draft
list to tantalize the
taste buds.

We intend to be the
community watering hole
for wine, beer or cocktail
drinkers all under the same
roof. No longer will your
group have to negotiate
where to go to meet
everyone's needs, we have
done that for you!

Our shabby chic home
will provide a bar to belly
up to for a drink, seating
for casual dining as well
as a chef selection
counter right at our
kitchen.

Regardless if you prefer
the interaction with the
chefs as they select their
favorites for you or if you
want to order ala carte
from the menu, we think
you will find our
dedication to our
farmers and produce
will be evident.
